Good afternoon,

I am confused in regards to the attached award letter and I need clarification. For the \$97,000. that amount was added to our prior dollars in the grant for the amount of \$369,600. I understand that but this is where I get confused.

The \$86, 536.00 GA00t95601 will not appear in an award letter as being added in since that was paid back to EPA, \$103,432. and I was told that was already in the award.

Do I make sense with my question?

Thank you,

Cynthia
